Company Overview

Business Purpose

Casa Sumi is a privately held purchasing and gathering company based in Houston, TX. The Company's focus is on purchasing stranded barrels at the lease and transporting by truck to end markets. Casa Sumi is primarily active in the US Gulf Coast, Eagleford, Permian and Bakken oil plays.

Expansion

In the last three years Casa Sumi has grown from a single producer in the Eagleford to more than 70 customers in 12 states. Casa Sumi is currently in the construction phase of two blending facilities in Louisiana and one in East Houston.
