Please keep in mind that many of our guests prefer to attend our panels which may limit the number of one-on-one requests you will receive compared with requests you may receive for other conferences. If you plan to host one-on-one meetings, we will provide you with a list of requests shortly before the Conference and you will be asked to confirm or decline your meeting requests.

We look forward to welcoming you at this year's event. Please email or call Machel Delange or Al Petrie with any questions.
